November

13,14 &15th November

Queenstown Trip with Brian, leaving Friday night or meet us down there 8am sat morning, ring Brian 0418140524 to confirm numbers and accommodation bookings

Weekend starting 27th

Sandy Cape

This is the Devonport show long weekend

Club members will be heading down on most days starting from Tue 24th

Working bee Sandy Cape

This will correspond with our club trip for the Devonport show weekend. There will be a side slasher trimming the scrub which our club will be organizing and also some gravel will need to be carted and dumped around the Jack Smith area. The parks will be co-ordinating and it will be a good PR exercise for our clubs

If you receive this by mail but have an email address please forward that to me, it makes my job much easier.
