**!!! Last Meeting at N.W.O.!!! - next meeting will be elsewhere!**

North West Off-Road wants their upstairs back, so the club is relocating - this was our last meeting here. We've got some good ideas for a temporary location while we find our new home - we'll let everyone know where before the next meeting.

April meeting location: TBA

**9-11 March - Balfour Working Bee.

Parks didn't get back to us about this, so the trip has been cancelled for now. If you were still thinking of heading down (or elsewhere), give Trout a call - 0429141071.

Adrian Woodberry is heading out to Bellingham to camp for the weekend with the family and has invited anyone who wants to join him to well... join him. Give him a ring on 0403469435 to invite yourself along.

**28 April - Sunday Trip around Sassafras with Phil.**

Phil is organizing a local day trip for April. More details when he's decided where we're going.
