Hi Folks,

Well this month sees the World Clean Up day, so everyone this side of the mountain will be scrambling to find dumped cars for cash. We'll be doing our bit of course, see attached story below.

The next Tassie Challenge is in the wind, so dust off your GPS and find a team mate. Watch this space for more info.

The Christmas dinner will be held mid November, with a venue yet to be confirmed. With several trips also planned, November will be a busy month!!

DVDs with some footage and photos from the last Tassie Challenge are still available for \$8.00. Contact Lyndon (0417 180 910) or Glenn (0448 817 755) to place your order

Cheers – Jarrod

World Clean Up Day

This year, we will be concentrating on the Shale Road area, collecting dumped cars. It's a good way to hone winching and recovery skills, as most of the vehicles are in a less than roadworthy state. We will be meeting at the Latrobe Bridge at 9am, so bring your tandem trailer for a good day out.

October trip will be around Mt Stewart on the 21st. This is an alternate trip for the one Burnsy had planned, as he is too busy to organise. It will be extremely challenging, and good tyres, winch, recovery gear are essential, and a chainsaw if available. Meeting at the Devonport Overpass at 7:30am.

The Tombs Lake trip in November will be a combined trip with Braddon Club, and let Cossie know if you plan on attending. November will also see a Sandy Cape trip, around the 30th. More details closer to the date.

Also in November, on the 24th will be 4WD mud racing, to be held at Quercus Park, Carrick. More info, including contact details, to follow.

Joke for the week:

Four married guys go fishing. After an hour, the following conversation took place:

First guy: "You have no idea what I had to do to be able to come out this weekend. I had to promise my wife that I would paint every room in the house next weekend."

Second guy: "That is nothing, I had to promise my wife that I would build her a new deck for the pool."

Third guy: "Man, you both have it easy! I had to promise my wife that I would remodel the kitchen for her."

They continue to fish. When they realized that the fourth guy has not said a word, they asked him. "You haven't said any thing about what you had to do to be able to come fishing this weekend. What's the deal?"

Fourth guy: "I just set my alarm for 5:30 am. When it went off, I shut off my alarm, gave the wife a slap on her backside and said: "Fishing or sex?" and she said: "Wear sun-block"
