Equipment Officer:
Scott Rockliff

Hi Folks,

The Annual General Meeting has been run and won for another year, with Scott becoming Vice President the only real change to the line up.

We're looking for location suggestions for where the Christmas dinner can be held. We have to start planning pretty soon as these places get booked out quickly.

While you're scouting, keep an eye out for dumped cars in the bush, so we can co-ordinate to collect them for World Clean Up Day on the 16th of September.

DVDs with some footage and photos from the Tassie Challenge are still available for \$8.00. Contact Lyndon (0417 180 910) or Glenn (0448 817 755) to place your order

Cheers – Jarrod

Presidents Report

Annual General Meeting – 07/08/02

I would like to thank the members for all their input into making this year another successful one, especially Lyndon and Glenn for their efforts with the Tassie Challenge, which has taken off well.

Thanks to Peter Holman for the use of his premises and the new club room here he has kindly built for us.

The inter-club trips are going well, and the Beaky Boys are keeping tassie on the map with their mainland events.

We are doing a bit more keeping our profile up with the working bees.

Special thanks to my right and left hand men, Angus and Lyndon, and also Jarrod for his newsletter efforts.

Lets keep the mud churning and have another eventful year.

Cossie

Raining down your way???
