# News Flyer

## Sorry for the delay:

It's taken me a while to get the newsletter out this month - things have been busy.

As someone had the 'smart' idea to elect me secretary, I've also attached the minutes to the newsletter. I'll have to start taking better notes and remembering people's names now!

-Rob

## Aug 17th - Dunc & Woody's Annual Night Trip.

It'll be dark, it'll be fun. 7:30pm start at Woody's place in Westbury for a BBQ (BYO meat). Trip will end at Deloraine.

Bring lots of coinage - we'll be doing some raffles etc to raise money for the club.

Woody 0408135800 or Dunc 0408225845

## 21st Sept: Kellevie Challenge

For anyone who fancies heading down south.

## 29th Sept: Beaconsfield Trip

Will be confirmed next meeting. Plan would be to start in Beaconsfield and finish at Smith & Others Rd.

## Oct: Black Bluff (back of Ulverstone)

Details to come. Maybe combine with Braddon Club.

## Nov: RuggedJack/Ben Lomond area.

Details to come.

Photos from Rob and Chris's "short" Trip to Keen's Rd. Normally the water goes under the bridge, not over it...
