## March

### **28<sup>th</sup> March**

Clean up day at St.Albins bay helping out the Northern Explorers and Landrover clubs, all available members please help out, we use this area regularly so it's a good opportunity to give it a clean up  
0930 Bridport RSL carpark

### **News Flash**

Resident dare devil and all round nice guy Nigel Palmer had a disappointing end to his attempt at the Barefoot Cartwheel World Record. Guinness book of Record officials say he was only half a cartwheel short of the world record attempted at 210 kmh. Speaking to him on the phone from his hospital bed Nigel was busy working on the procedures for his next attempt but wouldn't comment on when or where.
