Brushy Lagoon Clean Up Day Report

March 1st. Around 50 people from The Devonport, Ulverstone and Northern Explorers 4WD Clubs and the Devonport, Westbury and Longford Angling Clubs converged on Brushy Lagoon for a clean up day. We were all done by lunch time with the Inland Fisheries and the Longford fishing club supplying a BBQ. The Day was organized after a meeting was called by Forestry Tasmania for all stakeholder groups in relation to ongoing environmental damage in the area. A working group has been formed to come up with a formal community agreement with 4wd'ers, so far this is looking positive. Thanks to Angus, Amanda and their kids and Adrian and Lyndon for helping out on the day.
